LinkedIn : www.linkedin.com/in/kunduru-dhanush-reddy

ABOUT ME

Motivated and detail-oriented front-end developer with a strong foundation in HTML, CSS, JavaScript, and responsive design. Passionate about building user-friendly web applications with modern UI/UX practices and optimized performance.

EDUCATION

Master of Computer Science (M.Sc.)

Gayatri Vidya Parishad College for Degree and PG Courses | 2023–2025

Bachelor of Computer Science (B.Sc.)

Prism Junior College, Visakhapatnam | 2021–2023

INTERNSHIPS

Android Application Development Intern – Smart Internz (Google Supported):

Completed a virtual internship (May–Aug 2023) gaining hands-on experience in Android Studio, Kotlin/Java, UI design, and mobile app development through real-time projects.

AI-ML Virtual Intern – APSCHE EduSkills (AWS Academy):

Completed a 10-week internship (Sep–Nov 2022) working on ML algorithms, data preprocessing, and cloud-based AI/ML workflows using AWS tools.

PROJECTS - TECHNOLOGY

Varanasi Tourism - basic DOM manipulation

<https://varanasitourist.ccbp.tech/>:

Developed a responsive web application to showcase Varanasi's tourist attractions with an intuitive UI/UX and seamless navigation.

Food Munch - HTML-CSS-interaction

<https://varanasitourist.ccbp.tech/>:

Developed a responsive Foodie Place web application featuring intuitive UI/UX, seamless navigation, and dynamic content rendering using reusable components.

AuctionX - React.js

auctionx-ebon.vercel.app

Built a real-time auction web application using React with authentication, protected routes, live bidding, notifications, and responsive UI. Deployed the project on Vercel with modern features like dark/light mode, animations, and Context API state management.
